Who we are?

Preparing women with the right skills to educate children during their formative years of life

What we do?

SAM S Academy imparts knowledge and skills in the area of early childhood Education through Dr. Maria's approach. Our comprehensive diploma programs prepare for a life-changing career in Montessori education. Explore more about our program below!

Montessori Training!

Montessori is a method of education that is based on self-directed activity, hands-on learning and collaborative play. In Montessori classroom children make creative choices in their learning, while the classroom and the teacher offer age-appropriate activities to guide the process. Children work in groups and individually to discover and explore knowledge of the world and to develop their maximum potential.
